DEAD AT THIRTY. [John E. M'Cann.]

Just for the praise of the sycophant crowd,
That smoked your cigars, quaffed your rich
wines and mellow,
You are sleeping, to-day, 'neath the sod in
your shroud.

Just for the sake of being called elever-

dashing—
By human hogs living outside of a pen,
The rain on your cold bed is ceaselessly
splashing,
While you should be living—a man among

Just for the sake of being pointed at-looked

By the fulse, insincere, hypocritical crew, That grows on the follies of weak brains-

You feighed a contempt for the engles yellow,

And senttered them brondenst, with box

Just for the sake of being called a good fel-

You are nothing, to-day, but a boxful of

Of Wilson & Tillinghast.

WICHITA, January 21, 1884. DEAR SIE-Being among the first to avail myself of your professional services in

It was a foreigner who spoke, and we could not fad to see the justness of her crit-tal glasses, which you fitted upon me, I feel a sense of duty as well as a pleasure in saying that they have proven thoroughly sat-isfactory, enabling me to read with the greatest case and without wearying m "My dear boy," said an earnest Sunday-exhol tencher at the North End mission to a ling you to all who require artificial assistance, believing your glasses to be the best in use. I remain yours respectfully. II. H. OWENS, M. D.

From Professor Snow.

LAWRENCE, August 10, 1883. It gives me pleasure to certify to the great benefits received by my son and daughter. aged respectively twelve and ten years, by the use of Prof. il. Samuels' glasses. Both of them had suffered from defective sight. so that they had been compelled to abandon school for more than a year. Other emient authorities had prescribed for them without succes, but Prof. Samuels' specta-cles gave them immediate and permanent relief. My son is now able to do entirely without glasses, his eyes having been re-stored to their natural condition by the timely and skillful application of artificia Professor of Natural History, University

Wichita, September 22, 1884.

Prof. Samuels, the optician, having returned to this city, I take pleasure in rec-E. B. RENTZ, M. D.

A Remar able Cure.

Breek & Edson, of Tepeka, was sixteen years old he had the measies very bad. They left him with the sight of his right eye so serionely affected that he has not been able to order tent air chair in less'n two stakes er a see out of that organ until about seven steer's tad. I'll break yer up an use yer ter months ego, when Prof. Samuels, the noted plug rat boles with." And the cow-boy ict optician, furnished him a pair of glasse off an athletic laugh that made the barber that filled the bill completely, and enabled him to see just as well out of his heretofor ing Prot. Samuels he had tried all t. a different kinds of glasses made, but could not "Yans, aw, wal aw. I'll give yaw just half get anything that gave him any sort of re-nituate to git." "Years, aw, wai aw, I is give you are a planute to git."

"Weally, my boy," replied his dideship, tainly something remarkable, for Mr. Elson had the use of but one eye, and had the use of but one eye, and had the other been equally affected he would not have been able to see at all. Poubtiess a great many people who are groping through life in our blind asylums are affected just as the Edson was, when, did they know it.
